Institute of Engineering & Technology

GLA University
Mathura- 281406, INDIA

__Acknowledgement__

It gives us a great sense of pleasure to present the synopsis of the B. Tech mini project undertaken during B. Tech III Year. This project is going to be an acknowledgement to the inspiration, drive and technical assistance will be contributed to it by many individuals. We owe special debt of gratitude to Mr. Bhanu Kapoor, Technical Trainer , for providing us with an encouraging platform to develop this project, which thus helped us in shaping our abilities towards a constructive goal and for his constant support and guidance to our work.

His sincerity, thoroughness and perseverance has been a constant source of inspiration for us. We believe that he will shower us with all his extensively experienced ideas and insightful comments at different stages of the project & also taught us about the latest industry-oriented technologies. We also do not like miss the opportunity to acknowledge the contribution of all faculty members of the department for their kind guidance and co-operation.

Declaration

I hereby declare that the work which is being presented in the Project Report **"travel and tour"**, in partial fulfillment of the requirements for Project is an authentic record of my own work carried under the supervision of **Mr. Bhanu Kapoor, Technical Trainer, GLA University, Mathura**.
